<p>HB09-1210.pdf</p> <p>Oppose</p> <p>PT'd</p>	<p>Mandatory Paid Sick Leave</p>	<p>MCGIHON--CARROLL M.</p>	<p>Creates the "Healthy Families and Workplaces Act" (act), which requires all private employers in Colorado to provide paid sick leave to their employees.</p>	<p>Forces employers of 6 or more to give mandatory paid sick leave as laid out in the bill. <input type="checkbox"/> Small business can rarely compete with the benefits offered by larger companies. Requiring mandatory paid sick leave reduces a competitive advantage for small businesses that typically offer flexibility in the work place as an incentive to good employees.</p> <ul style="list-style-type: none"> <input type="checkbox"/> The carry-over provision of allowing paid sick leave to accrue for an indefinite time creates a property right for employees who could demand payment upon severance with the company. <input type="checkbox"/> There is no time limit on the carry-over provision. Feasibly, an employee could accrue as much as a month or more of time off, couple that with vacation leave, and be on a paid leave for months. This is a big problem for a small business that relies on a stable workforce. <input type="checkbox"/> It increases record-keeping and overall expenses to small business, thereby increasing costs to consumers and decreasing the availability to create jobs. <input type="checkbox"/> Because the language of the Bill is quite broad, it encourages absenteeism as employees take a "mental health day". 	<p>03/03/2009</p> <p>House Committee on Business Affairs and Labor</p> <p>Postpone Indefinitely</p>	<p>BUSINESS AFFAIRS & LABOR</p> <p>11 members: Representatives Joe Rice, Chair; Ed Casso, Vice-chair; David Balmer, Laura Bradford, Sara Gagliardi, Larry Liston, Kevin Priola, Su Ryden, Christine Scanlan, John Soper, Amy Stephens</p>
